sophistication in historic Manassas, VA*

HISTORY

Sweeney Barn began its history circa 1939 as a one-story dairy barn with a hayloft. Originally owned by the Birkett Family, the barn housed cows waiting to be milked as the dairy industry boomed in Prince William County. Abandoned for decades, the barn fell into disrepair and faded into obscurity until the owners, Noel and Alannah Sweeney, revitalized it in 2018.

TODAY

Sweeney Barn is an elegant, rustic-chic event venue in historic Manassas, Virginia. Renovated with state-of-the-art design and modern amenities, the dairy barn was transformed into the perfect space for weddings up to 200 guests. Two levels of indoor space and a beautiful outdoor lawn allow our couples to customize their ceremony, cocktail hour, and reception to meet their exact wedding vision.

The Lower Hall is a favorite space for indoor ceremonies up to 150 guests or for cocktail hour. Photographers love the natural light and bright atmosphere created by the white hemlock beams. The white drapery included in your rental adds a sense of elegance that is perfect for weddings.

GREAT HALL

Elegant and Romantic

WHAT'S POSSIBLE

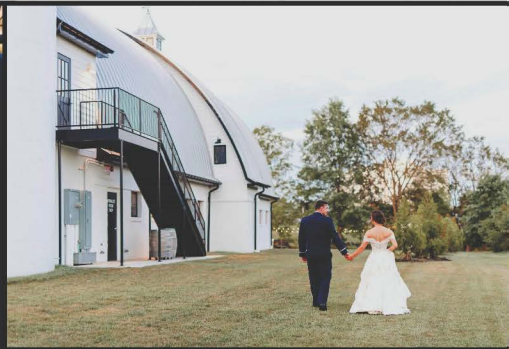

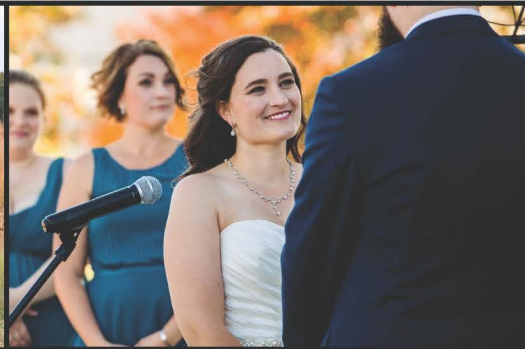

As you enter the Great Hall, soaring ceilings give a sense of awe and wonder as guests take in the view of the former hayloft. This space is perfect for ceremonies and receptions up to 200 guests seated, or 300 standing. Golden chandeliers impart elegance and refinement that elevates this venue past its humble origins as a working farm. Their glow sets a romantic mood for dinner, but the party starts once we dim the lights and open up the dance floor!
